**BCC PREMIUM QUALITY**

BCC is the original quality grade of Bartoli and, over the years, has improved its performance through continuous investments in R&D, in the selection of raw materials and innovation of production process.

Offering reliability to customers over the years, ensuring great results in high performance, in addition to the widest range of sizes and thicknesses, make BCC a benchmark in the market.

BCC is a product FSC® certified, mark which identify the use of raw materials (waste paper) originating from well managed and responsible forests, based on rigorous environmental, social and economic standards (www.fsc.org).

- ▲ **STRENGTHS**  
 DELAMINATION RESISTANCE  
 RIGIDITY IN THE INSOLE  
 HIGH PRODUCTIVITY

- ▲ **COMPOSITION**  
 LONG FIBRES RECYCLED FROM SUPERIOR WASTE PAPERS  
 RESINS  
 CHEMICAL ADDITIVES

- ▲ **APPLICATION**  
 FOOTWEAR - INDUSTRIAL COMPONENTS - PACKAGING

The mark of responsible forestry
